Dear Sir,

**Subject : Compliant lodgment for the lost file of the Company, containing the documents filed by the Company with Reserve Bank of India and letters received from Reserve Bank of India relating to Foreign Direct Investments**

With reference to the captioned subject matter, we request you to lodge the complaint for the file lost by our office boy, Mr. Rajkumar Singh while he was travelling from Goregaon to Sion by BEST Bus No. 448 (Gunduwali Bus Stop).

Mr. Rajkumar is an office boy of our Company and working with our Company on contractual basis from the year 2008 till today. He was carrying 1 Box file containing the original papers of the Company filed with Reserve Bank of India and letters received from Reserve Bank of India since the inception of the Company, i.e., year 2000 onwards, the file name is - RBI File (FC-GPRs filed since inception). He was travelling by the said bus at 9.00 pm from Goregaon to Sion and he was standing in the bus itself opposite to the door and suddenly he lost the file due to someone's push/pressure in the bus because of which file was dropped out from the running bus due to the pressure/push. Thereafter, he got down at Hanuman Road Bus Stop and went back to the place, where he lost the file but he could not search or find the file there.

Hence, we seek your help in this matter, kindly lodge the compliant of lost Box File of the Company and let us know, in case of any further clarification is required in this regard.

Thanking you.

Yours faithfully,
